### Hot air balloons, the queens of the FMG, gradually return!

About fifteen hot air balloons, belonging to balloonists from Ontario and Quebec, will take part in the flights presented during the musical matinees, evening flights and nightly balloon illuminations. Among them, five special shapes will be part of the event:

- Super FMG
- She's a hoot! (Owl)
- BB Tiger
- Miss Birdy the elephant
- Bunch of bees

"After a difficult year, this gradual return to normality is like a breath of fresh air for artists, artisans and festival-goers alike. I think we can be proud of our offer at the FMG, which becomes the first event in Quebec to offer a festival experience to more than 5,000 people at a time. Thanks to the new, more user-friendly formula, a lineup that is the envy of all regions, and at one of the lowest ticket prices in the industry in the country, we are very happy to invite Gatineau residents and visitors to take advantage of it," notes Marie-Claude D'Aoust, Programming Director.
