Gatineau - On Sunday, September 5th, FouKi will be taking over Parc de la Baie with his *Zay rap* and his *Zayvités* line-up. *Zayvités*? Yes. Welcome to FouKi's world, where the whispers of the alley, the gentle madness of the park, the din of the city and the echoes of the regions all come together. A prolific artist, FouKi has made numerous appearances with creators from here and abroad. Who in his impressive book of contacts will join him in his show? The incontrovertible team player promises to reveal everything by the beginning of August. One thing is clear, he assures us that this will be his biggest show of the summer, here at Parc de la Baie.

## Tickets go on sale July 8th

The full programme for the event will be announced on July 6th and tickets for all shows will go on sale on July 8th.
